SHAW FAMILY HOUSING NEWS & STORIES

Our President's Message

For the third year, Hunt Military Communities teamed up with wear blue: run to remember in organizing individual Memorial Day events in our communities. More than half of HMC locations participated in the worldwide event. wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. It's expected that over 20,000 runners and walkers around the world became part of a living memorial to America's fallen heroes and a show of support for the families they left behind.

Wear blue teams met at various locations worldwide to participate in this run including many HMC locations. The wear blue Memorial Day event uses the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. Wear blue: run to remember was started by a Gold Star spouse, who lost her husband in Afghanistan, at the time she had a three year old, a one year old and a three week old.

Participants were provided with the name of an American Service Member who died in battle as well as a unique bib to share the name of the service member whom they honor with their steps. Each run began with a Circle of Remembrance where the name of each military member killed in war is called out.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.
