

# SHAW INSIGHTS NEWS & STORIES

## Teddy Bear Picnic

Meet us at the Sycamore St. park (Across from the Fire station) on July 10th from 12:00pm-2:00pm, for our Teddy Bear Picnic. There's so much in store. We'll have food, fun, games and more! Your favorite teddy bear is a welcome guest, so come along and make it the best. Please RSVP at 803.499.3074 by July 5th.

## Thank You Dads

Thank you to all the Fathers who came out to our "Donuts For Dads" event. We hope you guys had a wonderful Father's Day!

## What To Do With Yard Debris?

We would like to thank all residents who have been hard at work beautifying their yards! We would like to remind you that yard debris must be in clear trash bags and placed by the curb, if you would like the lawn company to dispose of it.

## Help Your Furry Friend

We have had several pets with no identification get loose in housing recently. To help your furry friends get back to their homes, we would like to suggest placing a collar on your pet with current identification information.

## Employee of the Month

### Antonnia "Tony" Davis Accountant

Tony has been a member of the Shaw Family Housing Team for 3 1/2 years. What he loves most about his job is being able to work with service members and the bonds he has formed with co-workers over the years. In his spare time he enjoys watching sports and spending time with his family.

## Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've undertaken a top-down review of our processes, policies, training programs, and the tools at our residents'

disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto [huntheroesfoundation.org](http://huntheroesfoundation.org)

Best,

John Ehle  
President
