## Kids Just Want to Have Fun

We have received some neighborhood concerns in regards to children playing outside and at playgrounds without supervision, and at times causing disturbances to some residents as well as leaving trash on the playgrounds. In an effort to keep our community a beautiful place to live, work and play we are asking that parents please be reminded of the rules and regulations found in the Community Handbook (pg 13 Child Behavior and Child Care): Parents are responsible for the behavior, safety, proper discipline and wellbeing of their children regardless of age. For safety, as well as the convenience of others, we require an adult to accompany children under the age of ten (10) in the Neighborhood and common areas.

## Employee of the Month

**Sean Marshall  
Maintenance Technician**

Sean has been a member of the Shaw Family Housing Team for 3 years. He enjoys coming to work and being able to help others with his maintenance expertise. In his spare time he enjoys hanging out with his wife and children.

## Our President's Message

As we progress through August, everyone is focused on getting the kids back to school and thinking about all those chores that were put on hold while having fun over the summer. At Hunt, we've been focused on finding more ways to support our military families. This month, Hunt launched the **HEART** Program.

HEART stands for **H**unt **E**mbraces: **A**ctivities, **R**esources & **T**raining and this new program provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families. Some new services you can look forward to include: a comprehensive Resource Guide including on-base and local community resources, introduction and guidance when navigating through new local school systems, extra maintenance hours to deployed spouses so when requested for thing such as removing Christmas trees, assisting with hanging pictures, etc., and special events in support of deployed service members such as preparing and mailing care packages twice a year and delivering special treats to spouses on Valentine's Day. And there is much more. Get in touch with your Resident Service Specialist for more information or to take advantage of these great programs.
