

SHAW INSIGHTS NEWS & STORIES

Our President's Message

We are coming up on CEL season, and I want to encourage all of our residents to participate and here's why...

The annual CEL Survey is an important instrument for Hunt to understand what we are doing well and what we need to work to improve. The CEL survey is available to all

military housing residents throughout the country. It is controlled and administered by an independent, third-party who reports the results simultaneously to us and the Department of Defense. Across the Hunt portfolio of communities, we have an average of over 50% of our residents who respond. This response rate is statistically high, but we want to continue to encourage our residents to respond in as large numbers as possible, so we get an accurate view of what is occurring within the communities.

Our goal is 100% satisfaction. When we fall short, we want to know so we can fix any problems before they become bigger issues. We also want to know which of our communities have high satisfaction rates so we can share best practices.

We want to hear from you, and this is one of several tools we use to facilitate that. I look forward to what you have to say.

Service with a Smile!

As part of our overall resident satisfaction program, our commitment to you is to listen and react to the information you share with us!

THINGS TO KNOW ABOUT THE Annual CEL Resident Satisfaction Survey:

- Your participation is vital to ensure we know how you feel about all the things we do right for you, and if we have any opportunities for improvement. We CARE about you and your family and the quality of service we provide. It is our privilege to be of service to you.
