October is Resident Appreciation Month!

Our President's Message

Over the past several years, Hunt Military Communities has been focused on forming relationships with groups and organizations which help us to better serve our military families. Blue Star Families, wear blue: run to remember, Operation Homefront, and Stop Soldier Suicide are a few of the organizations which have enriched our understanding of and services for our military families. I'm pleased to say that we have recently formed a multi-year partnership with The Military Family Advisory Network (MFAN). Through this partnership, MFAN will share the experiences and insight of those residents who live in our communities. In addition to focusing on housing issues, the partnership will also seek to address some of the other challenges faced by military families – specifically food insecurity and intimate partner violence. Hunt has prioritized and has worked diligently to provide the best possible housing for America's Service Members and their families and to improve the overall resident experience. This partnership is a further testament to Hunt's desire to work collaboratively with stakeholders to find real solutions. We know this relationship between Hunt and MFAN will bring much-needed resources to all military family communities. In October, you will see our staff's time and energy poured into the issue of food insecurity as well as gathering as many responses to the Resident Satisfaction Survey as possible so that we can continue to provide the needed services and resources to our military families.

Best,

HELPING HANDS

HELPING HANDS — EVENT OF THE YEAR! —

We know the pandemic has brought unexpected difficulties to families, such as having trouble getting enough healthy food. The staff at Hunt Military Communities wants to help. Your health and wellbeing matters to us, so we have decided to host a food drive with all of the goods going to Sumter United Ministries Food Pantry.

Give what you can, or receive what you need.

If you would like to participate, please fill the bag with any non-perishable items that you wish to donate and place on your porch. If you are in need of food, please reach out to the local food bank listed above.

We will drop off bags on your porch October 15th & will pick them up from your porch on October 21st. We will deliver them directly to the food bank.

What We're Looking for

Non-Perishable Food Items Such as Peanut Butter, Jelly, Canned Foods, Pancake Mix, Syrup, Pasta Sauce, Canned Fruit, Pork & Beans, etc.
