NEWS & STORIES

HAPPY FATHER'S DAY

Our President's Message

This month, we will officially welcome summer, celebrate graduations, and honor fathers on Father's Day. It is also a time to prepare for PCS season and the moves many will be facing.

We know all too well the stress and anxiety that come with moving. One of our goals is to help families feel a sense of community and to understand their new community, the place they will call home. Hunt Military Communities offers a host of information aimed at making the transition seamless, as well as programs addressing deployment, family crisis, and special services. The Hunt Heart Program is designed to help our families when they need it most. If you are not familiar with this program, I invite you to visit your community website or huntmilitarycommunities.com to learn about these special services. Additionally, each community has a Resource Guide listed under Resident Services that will help to acclimate our families to some of the many services your specific community offers. Thank you for choosing to make your home at a Hunt Military Community, and I wish you a safe and healthy start to summer and PSC season.

Best,

John Ehle
President
Hunt Military Communities

Start the Summer Off with Chill Vibes!

We will be handing out treats to kids as a celebration for finishing the school year and starting summer vacation! This event will be on June 10th from 12pm until 2pm at two locations: 7562 A Orchid and Playground 1 across from the fire station.

Thank You for Participating

We would like to say a special thank you to First Command Financial for sponsoring our Ultimate Military Family Event.

Bulk Trash Reminder

Bulk trash pickup will start on June 14th, 2021 and end on June 18th, 2021.

Friendly Reminder

Just an important reminder, as we are currently entering the summer months, to please remember to mow the backyard regularly to avoid anything seeking shelter from the heat in shaded areas.

Employee of the Month

Darrell Hodges

Congratulations to Darrell, who serves as our Maintenance Technician and has been a team member of the Shaw Family Housing Team for almost 3 months. Darrell loves being able to help residents and providing 5-star service. Two fun facts about Darrell are that he retired from the Air force after 26 years in 2008 and that he enjoys riding his Harley Davidson motorcycle with his wife and friends.
