# SHAW FAMILY HOUSING INSIGHTS **NEWS & STORIES**

## IT'S BACK TO SCHOOL TIME!

### Our CEO's Message

Dear HMC Residents,

I recently passed my one year anniversary since joining Hunt Military Communities as the new CEO. I have traveled to most of our communities and have met with many of our residents. The experiences and feedback have allowed us to make

important strategic decisions and priorities to improve our service delivery and resident experience across the country. We are excited to continually pursue improvements necessary to serve you better and sustain our military communities.

Last August, I committed to reviewing best practices and refining services and programs. Since then we have completed resident focus groups in almost all of our communities. The feedback has helped us to identify specific areas that are most important to you such as improving communication, focus on consistency in customer service, and enhanced community events to bring our residents together. Resident focus groups will be something we doing continuously across the country so we can get direct feedback from you on our service delivery and communities. Thank you to everyone who participated, and we always value your feedback.

### Special Thank You!

We would like to give a special thanks to all of our little residents in the community who participated in our Summer Balloon Scavenger Hunt Event.

### Summer Vacation Event

This will be a Facebook event. Post to our page or tag us with a picture and a short description of what you did over your summer vacation to enter the event. The two pictures with the most likes will each win a gift card. This event will start on August 5th and end on August 11th with the winners being announced the next day.

### Friendly Reminders

Just an important reminder, as we are experiencing warm weather, please remember to mow the backyard regularly to avoid anything seeking shelter from the heat in shaded areas. Please be mindful that any pools not in use should be tipped over and stored to prevent risk of injury.

### Are You Moving Soon?

As we are in the midst of PCS season, we want to remind any service members that received official orders to leave this installation that we require a Notice to Vacate (NTV) at least (30) days prior to departing from the home. To the best of your ability, please have a final date for departure in mind, copy of your orders if you are PCSing, Separating or Retiring and prior engagement with TMO is suggested. If you have any further questions please feel free to contact Shaw Family Housing.
