MAINTENANCE

We want to remind everyone to utilize the resident portal for routine maintenance work orders. It's the quickest and easiest way to ensure your home stays in top shape. With summer just around the corner, don't forget to keep the air circulating upstairs by running your fans. This simple step can make a big difference in keeping your home cool and comfortable during the warmer weather.

SATISFACTS SURVEYS

Thanks to your incredible participation, Shaw Family Housing has exceeded our goal, landing in the top ten of Hunt Military Bases with the Highest CEL surveys. We can't express enough how deeply appreciative we are for your feedback and continuous support. It's through the amazing participation of our residents that we've achieved greatness. Thank you for being a part of our community's success!
