As part of our ongoing efforts to maintain a safe, clean, and enjoyable community, we will continue to strictly enforce the Community Guidelines. This includes monitoring for proper yard maintenance, appropriate storage of trailers, RVs, and boats, and ensuring all vehicles are operational and parked in designated areas. We appreciate everyone's cooperation in adhering to these rules, as they play a vital role in preserving the quality of life for all residents. If you have any questions or need a copy of the guidelines, please contact the office—we're here to help!

MAINTENANCE TIPS

To prevent pipes from freezing during cold weather, keep a small stream of hot water running from your faucets overnight when temperatures drop below freezing. Also, open cabinet doors under sinks to allow warm air to circulate around the pipes. Taking these simple steps can save you from costly repairs and ensure your home stays safe and comfortable throughout the winter!
