COMMUNITY NEWS

May has officially arrived, bringing warmer days, blooming flowers, and the excitement of PCS season! As we move into a month full of new beginnings and fresh energy, we're here to keep you informed, prepared, and connected. Whether you're gearing up for a move or just enjoying the sunshine, we've got updates, reminders, and a few fun surprises to share with you this month. Let's make this May one to remember!

COMMUNITY UPDATES

Thanks to your valuable feedback in the Tenant Satisfaction Survey, we've added new stop signs throughout the neighborhood to help improve traffic flow and pedestrian safety—especially in high-traffic areas. Your voices made this happen, and we appreciate everyone who took the time to share their concerns. These changes are just one example of how your feedback helps us build a safer, more responsive community for everyone. Keep the suggestions coming—we're listening!

MAINTENANCE

To prevent clogs and maintain smooth water flow, avoid pouring grease, oil, or food scraps down your kitchen sink. Use drain strainers to catch debris and hair in bathroom drains. Regularly flushing your drains with hot water can also help break down any minor buildup. These simple steps can save you from costly plumbing repairs and keep your home running smoothly!
