

# COMMUNITY DIRECTOR UPDATE MARCH 1, 2026

## COMMUNITY UPDATES

We are excited to announce that our annual **Tenant Satisfaction Survey** will begin on **March 2nd**. This survey is one of the most important tools we have for understanding your experience as a resident, and your participation directly shapes the future of our community. By sharing your honest thoughts, what you love, what you'd like to see improved, and what would make your living experience even better, you help guide our decisions, priorities, and enhancements for the year ahead. Every response provides meaningful insight, and the more voices we hear, the more effectively we can tailor our services to meet your needs. When the survey arrives in your inbox, please take a few moments to complete it. Your feedback is not only appreciated but also essential to building a community you're proud to call home.

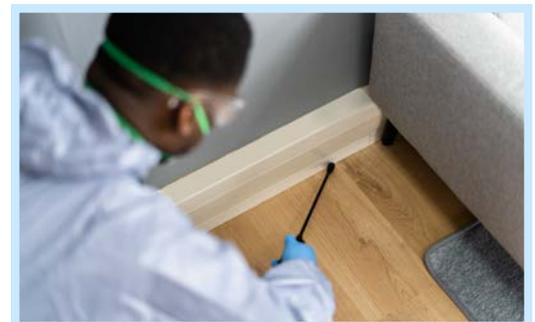

**You speak, and we listen. Please be sure to complete your survey when it opens on March 2nd, so we can continue making meaningful progress together.**

## MAINTENANCE TIPS

The sun is shining, birds are chirping, spring is fast approaching, it must be March! As the weather shifts and spring fever rises, it is time to put that extra energy and daylight to good use.

- Clean the garbage disposal by grinding ice cubes, then flushing with hot water, and baking soda
- Inspect tub and sink drains for debris; unclog if necessary
- Replace the batteries in smoke and carbon monoxide detectors
- Deep clean carpets
- Vacuum lint from the dryer vent

Lastly, let's talk about bugs. If you live in SC, you have them whether you see them or not. Check your yard for low spots retaining water, piles of moist leaves, and rotting debris. These are ideal spots for mosquitoes and other creepy crawlies to lay their eggs. Now is the time to clean up these areas and let the sunlight dry the ground. Routine Pest Control work orders can be placed using our Hunt App or by calling (803) 812-4200 and press 1.
