Update

Manager's Corner

We appreciate your feedback on the CEL comment cards. We have read all of them and will work toward improvements where possible. There were several comments regarding the lighting, potholes, and speed limit on Elm Street which runs behind Shaw Heights Elementary school (between the round-a-bout and the 4 way Stop sign). This area is not part of Hunt's property but we will convey your messages to the appropriate Wing leaders.

Happy New Year from your Shaw Family Housing Team!!

Maintenance

Things to Remember

- Bulk items should be placed curbside by 7am on the 2nd Monday of each month. Actual pickup may occur any weekday during that week.
- Please keep garage door key pad closed when not in use to avoid moisture damage to the circuit board. The keypad replacement cost is \$40 plus \$15 to install/program.
- A 30-day notice is required to vacate your home.
- During the winter months temperatures may drop very low. On these nights please leave a faucet dripping and remove garden hoses from exterior spigots.
