Hunt Update

Parents we are asking for your assistance with monitoring children while out at play. Please remember you are responsible for the behavior, safety, proper discipline, and wellbeing of your child regardless of age. For safety, as well as the convenience of other, we require an adult to accompany children under the age of ten (10) in the Neighborhood or common area.

Manager's Corner

The sewer line project has begun. The Civil Engineering Squadron and contractors are working through the area with a systematic approach in order to minimize the impacts to residents. Construction is estimated to take six months and upon completion will significantly improve the reliability of the water infrastructure. We appreciate your patience and understanding during this process.

GRILL GIVEAWAY

For the month of July, we will be giving one lucky family the chance to win a FREE grill, compliments of Shaw Family Housing. In order to be considered for the drawing, we are asking for donations of cases of bottled water. All donations will be donated to the Sumter Police Department to help with their Operation Hydration. Through this program, officers are equipped with bottled water to hand to individuals in the community, whose health could be compromised by the heat. Each case of water serves as 1 entry into the drawing.

Donations will be accepted July 6th-21st at the Shaw Family Housing Management Office.
The winner will be announced on July 24th!
