Manager's Corner

Here are a few tips on ensuring a positive living environment for you and your neighbor:

- Keep household noise to a minimum between the hours of 2200 and 0600.
- Keep the premises, including the yard, clean and free of any unsightly refuse.
- Know where your occupants, guests and pets are at all times.
- Make your neighbors aware of private gathering, BBQ's or parties that may cause parking difficulties or excessive or above normal noise.

Maintenance Corner

Want to get rid of those greasy oil stains in your garage and/or driveway?

Oil drippings can be removed by using absorbent materials such as kitty litter or oil absorbents. Be sure not to wash the oil into the drainage system, with or without detergent.

CEL IS COMING OCT 2018

Hunt Military Communities will be launching the Annual CEL Resident Satisfaction Survey October 2, 2018. For your convenience, this year the survey will be emailed to all residents.

The Annual CEL Resident Satisfaction survey provides you with an opportunity to share your thoughts and feedback on how we are able to help create Exceptional Living Experiences for you and your family! As part of our overall resident satisfaction program, our commitment to you is to listen and react to the information you share with us!
